

TOP SECRET

Official Diary

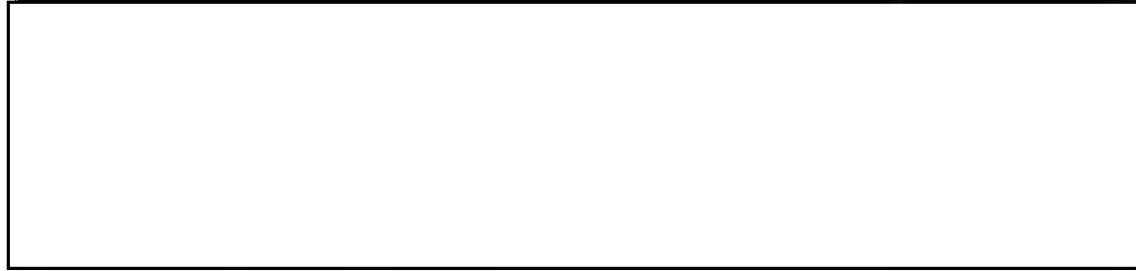

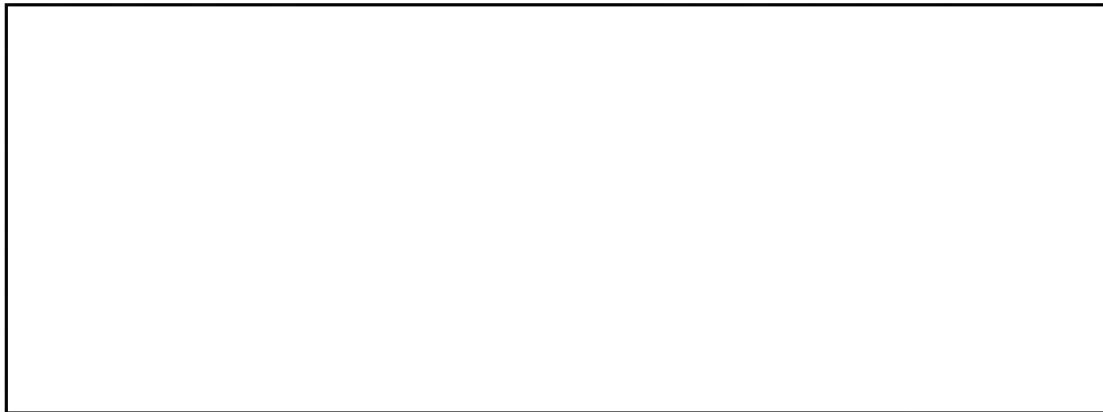

Friday, 3 August 1951

Called Mr. Reber to find out what had happened to the paper on the Reorganization of [redacted] Intelligence. This is being prepared by State Department and a draft should be ready the middle of next week.

25X1

If there is an Assistant Directors' meeting on Monday, Mr. Reber would like to discuss the Interagency Priority Committee. This is the new committee set up to deal with covert requirements.
